

Studio Suite 568 Sq. Ft.

Studio 296 Sq. Ft.

Courtyard at Cascades Memory Support Floorplans

Residences in the Memory Support Neighborhood are private — either studios with a kitchenette or a suite where couples can remain together. Both include bathrooms with a step-in shower. Common areas for reading, sensory experience, family gatherings or watching TV and an all-purpose activity room complement a safe, monitored community lifestyle. Residents can also enjoy the secure outdoor courtyard and gardens with safe walking paths and relaxing seating areas.
